

AJA@™STC

Academic Grade

The following academic grading scale is used for all State Technical College of Missouri letter graded credit classes:

Grading Scale	A	B	C	D	F
	90 to 100%	80 to 89.9%	70 to 79.9%	60 to 69.9%	59.9% and below

Higher grading percentages than the above grading scale will take precedence with approval by the Chief Academic Officer if the need is supported by program accreditation or certification requirements.

Note: Some classes use a pass/fail grading system in which a P (pass) grade is substituted for the A, B, C, and D letter grades.
