

## Taking a Test or Quiz in a Course in EagleLMS (Moodle)

1. Log into EagleOnline (<https://eagleonline.statetechmo.edu/ics>)
2. Click on the “EagleLMS – My Moodle Courses” page on the “Home” tab and click on the course.
3. After the course opens in a pop-up window, click on the link for the test or quiz.

The screenshot shows the EagleLMS Moodle interface. At the top, there is a blue navigation bar with the text "EagleLMS", "My courses", and "This course". Below this is the EagleLMS logo and the text "EagleLMS". The main content area has a breadcrumb trail: "My home > My courses > Admin > Test Area > CPP116(UG08)\_SU\_2009\_UNDG\_01". On the left side, there are three panels: "NAVIGATION" with links for "My home", "My profile", "Current course" (expanded to show "CPP116(UG08)\_SU\_2009\_UNDG\_01" with sub-links for "Participants" and "Badges"), and "My courses"; "ADMINISTRATION" with links for "Course administration" (with a "Grades" sub-link) and "My profile settings"; and "UPCOMING EVENTS". The main content area on the right is titled "SU09 Graphic Design CPP116-01" and contains a list of course activities: "Attendance", "Job Readiness", "Syllabus", "Chapter One Assignment", "Online Text", "Test Chat", "Offline Activity", and "Quiz 1". The "Quiz 1" link is highlighted with a red rectangular box.

4. Click on the “Attempt quiz now” button and answer the test questions. When you are done answering all of the questions click on the “Submit all and finish” button.
