

Viewing Grades in a Course in EagleLMS (Moodle)

1. Log into EagleOnline (<https://eagleonline.statetechmo.edu/ics>)
2. Click on the “EagleLMS – My Moodle Courses” page on the “Home” tab and click on the course.
3. After the course opens in a pop-up window, click on the “Grades” link.

The screenshot displays the EagleLMS user interface. At the top, a dark blue navigation bar contains the text "EagleLMS" and two menu items: "My courses" and "This course". Below this is the EagleLMS logo, which features an eagle head and the text "STATE TECH" and "EagleLMS". A breadcrumb trail below the logo shows the path: "My home" > "My courses" > "Admin" > "Test Area" > "CPP116(UG08)_SU_2009_UNDG_01".

The main content area is divided into two columns. The left column contains three sections: "NAVIGATION", "ADMINISTRATION", and "UPCOMING EVENTS". The "NAVIGATION" section lists "My home", "My profile", "Current course" (with sub-items "CPP116(UG08)_SU_2009_UNDG_01", "Participants", and "Badges"), and "My courses". The "ADMINISTRATION" section lists "Course administration" (with a sub-item "Grades" highlighted by a red box) and "My profile settings". The "UPCOMING EVENTS" section is currently empty.

The right column displays the course title "SU09 Graphic Design CPP116-01" in large, bold black text. Below the title is a list of course items: "Attendance", "Job Readiness", "Syllabus", "Chapter One Assignment", "Online Text", "Test Chat", and "Offline Activity".
