

Viewing Your Job Readiness Score in a Course in EagleLMS (Moodle)

1. Log into EagleOnline (<https://eagleonline.statetechmo.edu/ics>)
2. Click on the “EagleLMS – My Moodle Courses” page on the “Home” tab and click on the course.
3. After the course opens in a pop-up window, click on the “Job Readiness” link.

The screenshot shows the Moodle interface for the course "SU09 Graphic Design CPP116-01". At the top, there is a blue navigation bar with "EagleLMS", "My courses", and "This course" links. Below this is the EagleLMS logo and the course title "SU09 Graphic Design CPP116-01". A breadcrumb trail shows the path: "My home" > "My courses" > "Admin" > "Test Area" > "CPP116(UG08)_SU_2009_UNDG_01".

On the left side, there are three main sections:

- NAVIGATION:** Includes links for "My home", "My profile", "Current course" (with sub-links for "Participants" and "Badges"), and "My courses".
- ADMINISTRATION:** Includes links for "Course administration" (with a sub-link for "Grades") and "My profile settings".
- UPCOMING EVENTS:** A section with a calendar icon.

The main content area on the right is titled "SU09 Graphic Design CPP116-01" and contains a list of course activities:

- Attendance
- Job Readiness** (highlighted with a red box)
- Syllabus
- Chapter One Assignment
- Online Text
- Test Chat
- Offline Activity
