Family Day begins with free stuff and all of the information you'll need for a great day!

8:30 a.m.-10:30 a.m.

At Your Leisure (Optional Activities)

- Take a campus tour. Starting at Information Technology Center Front Desk at 9:30 a.m.
- Learn about the history of State Tech in our Technology Museum & Archives Room.
- Browse the resources available in the State Tech Library.
- Enjoy a free day pass to the Activity Center. Pack your tennis shoes.
- Check out the Bookstore for State Tech apparel.

11:00 a.m.-12:30 p.m.

Lunch with Your Student

Join your student for some quality time in the Information Technology Center Main Stream Café. Lunch tickets can be purchased at check in.

12:30 p.m.-4:00 p.m.

See Your Student in Action

Heavy Equipment Operations (HEO) Family Members & Friends

- See your student in action at the State Tech Heavy Equipment Operations Worksite. Meet at the HEO Building (#8 on the campus map). Shuttles will depart from the HEO Building to bring family members and friends to/from the worksite.
- Limited seating is available at the worksite, you are welcome to bring a lawn chair.
- You will be spending most of the day outdoors, so you will want to bring sunscreen, sunglasses, and comfortable clothing.

All Day

Nuclear Technology, Powersports Technology, Physical Therapist Assistant-2nd year technical, Practical Nursing Technology, Precision Machining Technology, and Welding Technology

The day is open for endless possibilities. You are free to spend time with your student or participate in one of the options below.

- Attend class with your student.
Ask your student for a copy of his or her class schedule prior to Family Day.
Seating may be limited.

Notes: Schedule subject to change. For safety reasons, please do not leave young children unattended. Classroom space may be limited. Students will be responsible for making up any missed classwork.
